Voting exclusion statements

Resolutions 1, 2, 3 and 8

No voting exclusions apply in relation to Resolutions 1, 2, 3 and 8.

Resolutions 4 and 9

In accordance with the Corporations Act, a vote on Resolutions 4 and 9 must not be cast (in any capacity) by or on behalf of any member of the key management personnel for the Company ("KMP"), details of whose remuneration are included in the Remuneration Report, or a closely related party of such a KMP. In addition, any votes cast as a proxy on Resolutions 4 and 9 by any members of the KMP (and their closely related parties) will be disregarded.

However, such a person described above may cast a vote on Resolutions 4 or 9 if:

- (a) the person does so as a proxy appointed by writing that specifies how the proxy is to vote on Resolutions 4 or 9; or
- (b) the person is the Chairman of the Meeting and the appointment of the Chairman as proxy:
 - (i) does not specify the way the proxy is to vote on the resolution; and
 - (ii) expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Company.

Resolutions 5, 6 and 7: Issue of Performance Rights under the Long Term Incentive Plan to Mr Gregory Goodman, Mr Danny Peeters and Mr Anthony Rozic

In accordance with the Listing Rules, Goodman will disregard any votes cast on Resolutions 5, 6 or 7 by Mr Gregory Goodman, Mr Danny Peeters, Mr Anthony Rozic and any associate of those persons.

However, a vote need not be disregarded only because:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the instructions on the Voting and Proxy Form; or
- (b) it is cast by the person chairing the Meetings as proxy for a person who is entitled to vote in accordance with the instructions on the Voting and Proxy Form to vote as the proxy decides.

In addition, under the Corporations Act, a vote on Resolutions 5, 6 or 7 must not be cast (in any capacity) by or on behalf of Mr Gregory Goodman, Mr Danny Peeters or Mr Anthony Rozic or an associate of them (a "relevant Executive Director"). However, a relevant Executive Director is entitled to cast a vote on Resolutions 6,7 or 8 if:

- + they act as a proxy, appointed by writing that specifies how the proxy is to vote on the resolution; and
- + the vote is not cast on behalf of a relevant Executive Director.

In addition, under the Corporations Act, a vote must not be cast on Resolutions 5, 6 or 7 by a KMP, or a closely related party of a KMP, acting as proxy, if their appointment does not specify the way the proxy is to vote on the resolution. However, this voting exclusion does not apply if the KMP is the Chairman of the Meeting acting as proxy and their appointment expressly authorises the Chairman of the Meeting to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

Defined terms used in this Notice of Meeting are set out at the end of this document.

Combined Meetings

The Meetings will be held and conducted as combined meetings of the shareholders of GL, unitholders of GIT and the sole shareholder of GLHK. All Resolutions at each AGM will be determined on a poll.

Where a Resolution is to be considered by the members of more than one Goodman entity, the poll will be taken at the same time, but the result separately taken and recorded. The Resolution will not be effective unless passed by the required majority by the members of each relevant Goodman entity.

Rights of Securityholders as a GLHK CDI holder in relation to Goodman Logistics (HK) Limited

Securityholders are entitled:

- (a) to attend and speak at the GLHK AGM; and
- (b) to cause the GLHK shares referenced by the CHES Depository Interests (GLHK CDIs) stapled to their Goodman stapled securities ("Securities") to be voted at the AGM by directing Chess Depository Nominees Pty Limited ("Nominee") as the legal holder of those shares to vote those shares in the manner directed in the Voting and Proxy Form.

To cause the GLHK shares referenced by the GLHK CDIs forming part of your Securities to be voted on your behalf at the AGM, you will need to complete and lodge the voting instruction component of the Voting and Proxy Form prior to the AGM, in accordance with the instructions below (whether or not you wish to appoint a proxy or vote directly in respect of the GL and GIT AGMs).

The Nominee will then appoint two proxies, one to vote in favour and one to vote against each Resolution to be considered at the GLHK AGM, in accordance with the voting instructions. GLHK will allow the Nominee to lodge those proxies at any time up to 5:00pm on the day prior to the Meeting.

All actions of the Nominee will be undertaken by Computershare Investor Services Pty Limited as the agent of the Nominee exercising its power of attorney under ASX Settlement Operating Rule 13.5.8.

This directed voting by way of lodgement of the Voting and Proxy Form prior to the AGM is the only way Securityholders will be entitled to vote at the GLHK AGM. In particular, Securityholders will not be entitled to vote personally (whether by person, proxy, representative or attorney) at the GLHK AGM as they are not the legal holder of the GLHK shares, nor will they be able to change their voting instructions after 10:00 am (Sydney time) on 14 November 2017, or if the Meetings are adjourned, at least 48 hours before its resumption in relation to the adjourned part of the Meetings.

Securityholders should note that unlike the GLHK AGM, they will be able to vote personally in respect of the GL and GIT AGMs, either by attending and voting at the meeting or, by appointing a proxy to vote on their behalf by completing and lodging the Voting and Proxy Form prior to the AGMs.

Annual Report

The Annual Report is available for download from Goodman's website at <http://investors.goodman.com> and was provided to Securityholders on 29 September 2017.

Required vote and majority

The Resolutions (other than Resolution 8) will be passed as ordinary resolutions of GL, GIT and GLHK (as applicable) for all purposes under the Listing Rules and the Corporations Act or Companies Ordinance (as applicable) if they are approved by the majority of votes cast by members (being the Nominee voting in accordance with the voting instructions received from Securityholders in the case of GLHK) present and voting (including by proxy) at the Meetings.

Resolution 8 will require a special resolution of the sole shareholder of Goodman Logistics (HK) Limited who will vote in accordance with the voting instructions received from Securityholders. The Resolution will be approved if 75% or more of the voting instructions received from Securityholders are instructions to vote in favour of the Resolution.

Each Resolution is to be considered separately, and the approval or otherwise of a Resolution will not be conditional on the outcome of another, (except where a particular Resolution must be approved by the members of more than one Goodman entity). Resolution 9 will only be put to members of Goodman Limited if at least 25% of the votes validly cast on the Resolution proposed in Item 4 (Remuneration Report) are cast against that Resolution.

Voting entitlements

The Directors have determined (pursuant to regulation 7.11.37 of the Corporations Regulations 2001 in the case of GL and GIT) that the holding of each Securityholder for the purposes of ascertaining the voting entitlements for the Meetings will be as it appears in the Register at 7:00 pm (Sydney time) on 14 November 2017.

Voting in person at the Meetings of GL and GIT – individuals and corporate representatives

Securityholders who plan to attend the Meetings are asked to arrive at the venue 30 minutes prior to the time designated for the Meetings, if possible, so that their Securityholding may be checked against the security register and attendance noted. Securityholders attending in person must register their attendance upon arrival.

Where more than one joint Securityholder votes or provides a voting instruction (as the case requires), the vote or voting instruction of the Securityholder whose name appears first in Goodman Group's security register shall be accepted to the exclusion of the others.

To vote in person at the Meetings of GL and GIT (but not GLHK), a company that is a Securityholder may appoint an individual to act as its representative. The representative should bring to the Meetings a letter or certificate evidencing their appointment. A form of certificate may be obtained from Goodman Group's security registry at: www.investorcentre.com.

As noted above, Securityholders will not be entitled to vote personally (whether by person, proxy, representative or attorney) at the GLHK AGM as they are not the legal holder of the GLHK shares. However, they will be able to attend in their capacity as holders of GLHK CDIs comprising part of their Securities.

Voting using the Voting and Proxy Form or electronically:

Voting and Proxy Form

The Voting and Proxy Form serves two purposes:

- (a) firstly, it enables Securityholders to direct the Nominee how to vote in respect of their GLHK shares referenced by the GLHK CDIs forming part of their Securities at the GLHK AGM (as noted above, Securityholders cannot vote in person at the GLHK AGM); and
- (b) secondly, it enables Securityholders to appoint any person as their proxy to vote on their behalf at the GL and GIT AGMs if they do not wish to vote in person at the GL and GIT AGMs.

Meeting of Goodman Logistics (HK) Limited

(a) How is the Nominee to vote?

To cause the GLHK shares referenced by the GLHK CDIs to be voted at its AGM, you must complete the voting instruction comprised in the Voting and Proxy Form prior to 10:00 am (Sydney time) on 14 November 2017 (whether or not you wish to appoint a proxy or vote directly in respect of the GL and GIT AGMs) in accordance with the instructions below.

The Nominee will then appoint two proxies, one to vote in favour and one to vote against each Resolution to be considered at the GLHK AGM in accordance with the voting instructions. This process means you are not able to directly appoint a person to attend and vote as your proxy at the Meeting of GLHK.

(b) Giving more than one voting instruction

A Securityholder may give two voting instructions in respect of GLHK CDIs held by them and specify the proportion or number of votes in respect of each such instruction.

If the Securityholder gives two voting instructions and does not specify the proportion or number of votes in respect of each such instruction, then each instruction is taken to be an instruction in respect of half of the votes.

Meetings of Goodman Limited and Goodman Industrial Trust

(a) How is the proxy to vote?

Unless the proxy is required by law to vote, the proxy may decide whether or not to vote on any particular item of business.

If the appointment of proxy:

- + directs the proxy to vote on an item of business in a particular way, the proxy may only vote on that item as directed; or
- + does not direct the proxy to vote on an item of business in any particular way, the proxy may vote on that item as the proxy sees fit.

If the appointment of a proxy does specify the way a proxy is to vote:

- + the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote on that item as directed; and
- + if the proxy has two or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- + if the proxy is the Chairman of the Meetings at which the resolution is voted on – the proxy must vote on a poll, and must vote on that item as directed; and
- + if the proxy is not the Chairman – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote on that item as directed.

If the appointment of a proxy does specify the way a proxy is to vote and the proxy is not recorded as attending the Meetings or does not vote on the resolution, the Chairman of the Meetings is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the Meetings of GL and GIT (but not GLHK) even if the resolution is connected directly or indirectly with the remuneration of a member of the key management personnel of the Company.

(b) Appointing more than one proxy

A Securityholder entitled to cast two or more votes at the Meetings of GL and GIT (but not GLHK) may appoint two proxies and specify the proportion or number of votes each proxy is appointed to exercise.

If the Securityholder appoints two proxies and does not specify the proportion or number of votes each proxy may exercise, then each proxy may exercise half of the votes.

(c) Custodian voting

For Intermediary Online subscribers only (custodians) please visit www.intermediaryonline.com to submit your voting intentions.

(d) Chairman's intention

If you return your Voting and Proxy Form but do not nominate a representative, the Chairman of the Meetings of GL and GIT (but not of the meeting of GLHK) will be your proxy and will vote on your behalf as you direct on the Voting and Proxy Form. If your nominated representative does not attend the Meetings of GL and GIT then your proxy vote will revert to the Chairman of the Meetings. The Chairman intends to vote all proxies granted to the Chairman of the Meetings in favour of the Resolutions set out in the Notice of Meetings (unless you have provided a contrary voting instruction in your Voting and Proxy Form).

Lodging your Voting and Proxy Form

A Voting and Proxy Form is attached to this Notice of Meetings. To be valid:

1. Voting and Proxy Forms must be received at the office of Computershare Investor Services Pty Limited (on behalf of Goodman Group) or at the registered office of Goodman Limited or Goodman Logistics (HK) Limited, being the places designated by Goodman Group for that purpose or at the facsimile number of Computershare Investor Services Pty Limited, Goodman Limited or Goodman Logistics (HK) Limited by no later than 10:00 am (Sydney time) on 14 November 2017 or if the Meetings are adjourned, at least 48 hours before its resumption in relation to the adjourned part of the Meetings.

You may appoint any person to attend and vote as your proxy at the Meetings of GL and GIT (but not GLHK), including the Chairman of the Meetings. A proxy is not required to be a Securityholder. To appoint a proxy for the GL and GIT Meetings, complete and lodge the Voting and Proxy Form.

2. The authority under which any Voting and Proxy Form is signed or a certified copy of that authority, must be received at the office or facsimile number of Computershare Investor Services Pty Limited (on behalf of Goodman Group) or Goodman Limited or Goodman Logistics (HK) Limited by no later than 10:00 am (Sydney time) on 14 November 2017, or if the Meetings are adjourned, at least 48 hours before its resumption in relation to the adjourned part of the Meetings.

However, please note that the online proxy facility is not suitable for Securityholders wishing to appoint two proxies.

Voting by corporate representative

In order to vote in person at the Meetings of GL or GIT (but not GLHK), a body corporate which is a Securityholder may appoint an individual to act as its representative. The appointment must comply with the requirements of sections 250D and 253B of the Corporations Act. The representative should bring to the Meetings evidence of their appointment, including any authority under which it is signed.

Questions and comments from Securityholders at the Meetings

A reasonable opportunity will be given to Securityholders as a whole to ask questions about, or make comments at, the Meetings on the management of Goodman and the Remuneration Report.

Similarly, a reasonable opportunity will be given to Securityholders as a whole to ask Goodman's external auditor, KPMG, questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the audit reports;
- (c) the accounting policies adopted by GL, GFML and GLHK in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit.

Securityholders may also submit a written question to KPMG if the question is relevant to the content of KPMG's audit reports or the conduct of its audit of GL's, GIT's or GLHK's financial report for the financial year ended 30 June 2017.

Relevant written questions for KPMG must be received by no later than 5:00 pm (Sydney time) on 9 November 2017. A list of those relevant written questions will be made available to Securityholders attending the Meetings. KPMG will either answer the questions at the Meetings or table written answers to them at the Meetings. If written answers are tabled at the Meetings, they will be made available to Securityholders as soon as practicable after the Meetings.

Please send any written questions for KPMG:

- (a) to Computershare Investor Services Pty Limited in the enclosed reply paid envelope;
- (b) by facsimile to 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia); or
- (c) to Goodman Limited's registered office at Level 17, 60 Castlereagh Street, Sydney, NSW, 2000.

Similarly, section 429 of the Companies Ordinance requires that Goodman Logistics (HK) Limited's financial report, the Directors' report, and auditor's report be laid before the Meetings. The above reports, including those in respect of Goodman Industrial Trust are included in the Goodman Group Annual Report and Securityholders will be provided with the opportunity to ask questions about the reports of Goodman generally, but there will be no formal resolution put to the Meetings.

Item B – General Business

Resolution 1: Appointment of auditor for Goodman Logistics (HK) Limited

Hong Kong law requires that members approve the appointment of the auditor of GLHK. Securityholders have been asked to consider the reappointment of KPMG as the auditor for GLHK.

Recommendation in respect of Resolution 1

The Directors unanimously recommend that Securityholders vote in favour of Resolution 1.

Resolution 2: Re-election as of Mr Ian Ferrier, AM, as a Director of Goodman Limited and Goodman Logistics (HK) Limited

Listing Rule 14.4 and Clause 10.3 of GL's Constitution and 13.3 of GLHK's Articles of Association require that at the AGM, a Director who has held office beyond the third AGM following their appointment or for the last three years, whichever is the longer, must retire. A retiring Director is eligible for re-election.

Mr Ian Ferrier, AM, was last elected as a Director of Goodman Limited and of Goodman Logistics (HK) Limited at the AGM held in 2014 and retires by rotation in accordance with GL's Constitution, GLHK's Articles of Association and Listing Rules and offers himself for re-election.

Ian Ferrier, AM – Independent Chairman

Member of the Audit Committee and Remuneration and Nomination Committee

Appointed 1 September 2003; Tenure 14 years, 1 month

Ian was appointed Chairman on 28 July 2009 (having been Acting Chairman from 28 November 2008). Ian is a Fellow of Chartered Accountants in Australia and New Zealand and has considerable experience in company corporate recovery and turnaround practice. Ian is also a director of a number of private and public companies. He is currently Chairman of Reckon Limited (a Director since August 2004) and a director of EnergyOne Limited (since January 2007). He was formerly the Chairman of InvoCare Limited and Australian Vintage Ltd (from March 1991 to May 2015).

His experience is essentially concerned with understanding the financial and other issues confronting company management, analysing those issues and implementing policies and strategies which lead to success. Ian has significant experience in property and development, tourism, manufacturing, retail, hospitality and hotels, infrastructure and aviation and service industries.

Recommendation in respect of Resolution 2

The Directors (other than Mr Ferrier who has a direct interest in the outcome of the resolution) unanimously recommend that Securityholders vote in favour of Resolution 2.

Resolution 3: Election of Mr Stephen Johns as a director of Goodman Limited

Listing Rule 14.4 and Clause 10.3 of GL's Constitution require that a Director appointed to fill a casual vacancy must not hold office past the next AGM without re-election. A retiring Director is eligible for re-election.

Mr Stephen Johns was appointed as a Director after the last Annual General Meeting. Mr Johns retires in accordance with GL's Constitution and offers himself for re-election.

Mr Stephen Johns

Independent Director, Member (and Chairman elect) of the Audit Committee

Appointed 1 January 2017; Tenure 9 months

Mr Johns is currently Chairman and Non-Executive Director of Brambles Limited and was previously Chairman and Non-Executive Director of Leighton Holdings Limited and Spark Infrastructure Group. Stephen is a former Executive and Non-Executive Director of Westfield Group where he had a long executive career during which he held a number of senior positions including that of Finance Director from 1985 to 2002. He has a Bachelor of Economics degree from the University of Sydney and is a Fellow of the Institute of Chartered Accountants in Australia and a Fellow of the Australian Institute of Company Directors.

Recommendation in respect of Resolution 3

The Directors (other than Mr Johns who has a direct interest in the outcome of the resolution) unanimously recommend that Securityholders vote in favour of Resolution 3.

Board Succession

At the Annual General Meeting, Ms Anne Keating and Mr John Harkness will be retiring from the Board of Goodman Limited and are not standing for re-election, both having joined the Board at the time of stapling in February 2005. Additionally, Mr Philip Fan will also be retiring at that time to pursue his interests in Greater China. The Board thanks each of the retiring Directors for their contribution to the Board and success of the Group.

Mr Goodman has been re-appointed as a Director of GLHK with effect from the retirement of Mr Fan. Mr Stephen Johns' appointment brings extensive financial audit skills to the Board and he will become Chairman of the Audit Committee on Mr Harkness' retirement. The Boards are in the process of reviewing and implementing their succession strategy for various roles, competencies and attributes over the short to medium term, while retaining corporate knowledge, and continue to refine and implement Goodman's strategy.

The Boards actively consider the appropriate size, composition and experience of the Boards to respond to changing circumstances in its membership, the business and its strategy, and the markets in which Goodman operates. In this way they seek to ensure that they have the broad base of skills and experience necessary to set the strategic direction of Goodman, oversee management's implementation of strategy and enhance corporate performance.

Resolution 4: Adoption of the Remuneration Report

Background

Listed companies are required to put the Remuneration Report relating to Director and executive remuneration for each financial year to a resolution of shareholders at their annual general meeting. The Remuneration Report is included on pages 22 to 43 of the Company's Annual Report. Securityholders will have the opportunity to ask questions and comment on the Remuneration Report at the Annual General Meetings (AGM).

The Remuneration Report on pages 22 to 43 of the Annual Report:

- (a) explains the Boards' policies in relation to the nature and level of remuneration paid to Directors and senior executives within Goodman;
- (b) discusses the link between the Boards' policies and Goodman's performance;
- (c) provides a detailed summary of performance conditions, explaining why they were chosen and how performance is measured against them;
- (d) sets out remuneration details for each Director and for each relevant member of Goodman's senior executive team; and
- (e) makes clear that the basis for remunerating Non-Executive Directors is distinct from the basis for remunerating executives, including Executive Directors.

Following the concerns raised at the last AGM, the Board consulted widely and undertook a number of initiatives. The Board considers that the concerns raised at the last AGM have been addressed or explained in the Remuneration Report. Set out overleaf is the letter provided to Securityholders from the Chairman of the Board and Chairman of the Remuneration and Nomination Committee summarising the Boards' remuneration policies and changes made in 2017.

EXPLANATORY MEMORANDUM

CONTINUED

Dear Securityholder,

The 2017 financial year result provided competitive returns whilst further strengthening Goodman's financial position and quality of its assets. Goodman's total Securityholder return (TSR) for the last year was 15%, over the last three years was 73% and over the last five years was 159%. Over the same period, operating EPS grew from 30.1cps to 43.1cps whilst gearing has fallen from 23.9% to 5.9%.

The Board and management team have been focused on creating a corporate culture and decision making process that is sustainable and centred outcomes consistent with the long-term nature of property assets and cycles. A key driver of this focus has been the Board's remuneration policies.

- + Goodman continuously balances objectives between the short, medium and long term, between different geographies for investments and between different divisions.
- + A corollary of this is that the executives and employees realise that there is a collective responsibility, collaboration and acceptance of objectives. The remuneration system seeks to reinforce the collective nature of these capital, regional and divisional trade-offs.
- + It is critical that the remuneration policy supports these objectives by emphasising long-term returns and group wide targets. As a result, there is weighting towards long-term incentives (LTI) away from fixed base remuneration and bonuses (STI).
- + The quantum of awards needs to balance remuneration for a motivated, skilled and committed workforce with the expense to Goodman. Securityholders' interests are protected in that STI is earned only after the forecast operating EPS growth target (currently 6%) is met. Similarly, LTI only vests after meeting operating EPS or relative TSR hurdles.

We believe that the Group Chief Executive Officer has lead Goodman exceptionally well and that the strong performance in FY17 has further improved Goodman's position. From a cash perspective, in the last year he earned \$1.4 million in fixed base remuneration and an additional \$7.0 million when his LTI arising from grants in previous years vested, benefitting like all Securityholders from the operating and security price performance over the last five years.

We have received support for Board's remuneration policies and strategy and also listened to investor feedback. The remuneration for the Group Chief Executive Officer and other executives is increasingly weighted to at-risk, long-term remuneration. There are constraints on at-risk remuneration with STI capped to 150% of fixed remuneration (down from 200%) while for LTI there is cap to 5% of outstanding equity.

With the Group Chief Executive Officer's commitment to long-term performance, base pay has been kept flat and he has again agreed to not participate in the short-term bonus arrangements. It is proposed that he receive an LTI award of 1.6 million performance rights (down from 2.4 million last year) and resulting in an effective 24% decrease in remuneration from 2016. The LTI award will be subject to Securityholder approval at the Annual General Meeting. As a result, nearly 90% of his remuneration will be at risk, deferred, and subject to the Goodman's future performance. Similar trends in remuneration have been applied to the other executives with an average decrease in remuneration of 10%.

The remuneration policy is absolutely focused on creating a business that provides competitive and sustainable returns over the long term.

Yours sincerely,

Ian Ferrier
Chairman

Philip Pryke
Chairman, Remuneration and Nomination Committee

Regulatory

The vote on this resolution is advisory only and does not bind the Directors or the Company. Nevertheless, the Board will take into account the outcome of the vote when considering the future remuneration arrangements of the Company.

Due to the “two strikes rule” in the Corporations Act, votes against this resolution may lead to an extra meeting to elect Directors. If 25% or more of the votes validly cast on the resolution are voted against adoption of the Remuneration Report at two consecutive AGMs (the first and second “strikes”), a “spill resolution” must be put to GL shareholders at that second AGM as to whether a further meeting should be held at which all Directors (other than the managing director) cease to hold office but may stand for re-election (“Spill Meeting”).

At last year’s AGM the resolution to adopt the 2016 Remuneration Report was carried, but more than 25% of the votes validly cast on that resolution were against, constituting a “first strike”. If at least 25% of the votes validly cast on resolution 4 are against the adoption of the Remuneration Report, then this would constitute a “second strike” and a “spill resolution”, as set out in Resolution 9 will be put and voted on at this AGM.

Recommendation in respect of Resolution 4

Noting that each Director has a personal interest in their own remuneration from the Goodman Group, as described in the Remuneration Report, the Directors unanimously recommend that Securityholders vote in favour of Resolution 4.

Item C – Special Business

Resolutions 5, 6 and 7 Issue of Performance Rights under the Long Term Incentive Plan (LTIP) to Gregory Goodman, Danny Peeters and Anthony Rozic

Subject to Securityholder approval, the Board proposes to make the following grants of Performance Rights to the Executive Directors:

Executive Director	Proposed grant
Mr Gregory Goodman	1,600,000
Mr Danny Peeters	550,000
Mr Anthony Rozic	600,000

Executive Directors’ remuneration

The Executive Directors’ remuneration and that of other executives comprises three key components:

- Fixed Remuneration: Based on marketplace benchmarks and calculated on a total cost basis which includes the value of non-cash components;
- Short Term Incentive (STI): The value of any amount of bonus is correlated with Goodman Group performance and individual performance; and
- Long Term Incentive (LTI): Allocation of Performance Rights as noted above and as further outlined below.

The Executive Directors’ remuneration for the 2017 financial year is detailed on page 37 of the Annual Report.

Summary of Performance Rights terms

Each Performance Right is a right to acquire one Security ranking equally in all respects with all existing Securities, without payment. The Performance Rights will be granted for no consideration.

A grant of Performance Rights under the LTIP is subject to both the rules of the LTIP and the terms of the specific grant.

The vesting dates and hurdles applying to the proposed grants of Performance Rights to Executive Directors are the same as those applying to other participants under the LTIP.

Tranches and Vesting Dates

To ensure further long-term alignment and retention, vesting is in three tranches in years three, four and five, assuming that the performance hurdles have been achieved. The three vesting dates applicable to the grant of Performance Rights are:

- + 1 September 2020 for Tranche 1 (approximately 3 years after grant);
- + 1 September 2021 for Tranche 2 (approximately 4 years after grant); and
- + 1 September 2022 for Tranche 3 (approximately 5 years after grant).

On each of the three vesting dates, the Executive Director will receive Securities equal to 1/3 of the total number of Performance Rights granted subject to Goodman Group meeting the applicable performance hurdles described below and the Executive Director remaining an employee of Goodman Group on the relevant vesting date (as further described below).

Upon vesting, the Executive Director will automatically become entitled to receive Securities on the applicable vesting date at no cost. Where 1 September is not a Business Day the vesting will occur on the next Business Day.

Performance Hurdles

Under the LTIP, 75% of each grant will be tested against an EPS hurdle and 25% of each grant will be tested against a relative TSR hurdle (see below for details). The performance hurdles in respect of each grant will be tested in respect of the performance testing period 1 July 2017 to 30 June 2020 (the Performance Testing Period).

(a) EPS Hurdle

This hurdle aligns the direct contribution of employees to the financial performance of Goodman.

In respect of the 75% portion of each tranche tested against EPS, nil will vest unless the cumulative Operating EPS achieved by Goodman over the Performance Testing Period exceeds the Operating EPS Targets established for each year by the Board. If the cumulative Target is met or exceeded, 100% of this portion will vest at the end of the Performance Testing Period, subject to also meeting the Continued Employment vesting condition on the relevant Vesting Date (see below).

The Board has determined that the Target Operating EPS for FY2018 is \$0.457 per Stapled Security. The Target EPS for FY2019 and FY2020 will be advised around the commencement of each of those financial years with the release of the prior year results.

(b) Relative TSR Hurdle

This hurdle aligns the vesting outcomes for employees with the returns to Securityholders.

Vesting of 25% of each tranche of Performance Rights will be based upon the TSR achieved by Goodman over the Performance Testing Period as compared to the TSR achieved by companies in the S&P/ASX 100 for that same period. Nil vests at less than the 51st percentile, 50% vests at the 51st percentile and then an additional 2% vest for every 1% increase in percentile rank until 100% vests at the 76th percentile. Vesting is also subject to meeting the Continued Employment vesting condition on the relevant Vesting Date (see overleaf).

EXPLANATORY MEMORANDUM

CONTINUED

(b) Relative TSR Hurdle (continued)

The Board considers that the S&P/ASX 100 comparator group is sufficiently broad to include a sample of businesses with geographic diversity and business complexity against which to compare the performance of Goodman and against which Goodman competes for investment capital. It is also an appropriate index given Goodman's market capitalisation and ranking within the top 100 ASX listed entities.

In the Board's view, the performance hurdles that must be satisfied before Performance Rights vest link the ultimate value of the Performance Rights to the continued growth of Goodman's earnings and Securityholder returns and therefore provide a strong incentive.

Vesting Conditions – Continued Employment

In addition to the Performance Hurdles, it is a vesting condition that the Executive Director remains an employee of Goodman Group on the relevant vesting date or having ceased as an employee of Goodman Group before one or any of the relevant vesting dates in "Special Circumstances" (unless the Board determines otherwise, as discussed below).

Special Circumstances are defined in the LTIP rules and would apply in the event of an Executive Director's death or cessation of employment due to genuine retirement, total or permanent disablement, redundancy or other circumstances determined by the Board.

Early vesting of the proposed grant under the LTIP rules

In the event of an Executive Director's cessation of employment due to Special Circumstances prior to the date nominated as the first possible time for the Performance Rights to be exercised, some or all of any unvested Performance Rights may, subject to the Listing Rules, vest as determined by the Board in its discretion or continue as if the Executive Director were still employed. In exercising its discretion, the Board may take into account a range of matters including the:

- (a) elapsed performance testing period as at the date of cessation; and
- (b) extent to which the performance conditions have been satisfied as at the date of cessation.

Where an Executive Director ceases employment in circumstances other than those described above, all unvested Performance Rights will lapse unless otherwise determined by the Board.

In addition to early vesting as a result of Special Circumstances, subject to the Listing Rules, the Board may, at its discretion, accelerate the vesting of all or part of any unvested Performance Rights, in circumstances such as a takeover bid resulting in a change in control, a scheme of arrangement, winding up or delisting of Goodman, or a change in the composition of a Security.

Additional terms and restrictions

In the event of any capital reorganisation by Goodman (including bonus issues, other pro rata issues or reorganisations), the participant's Performance Rights, and the Securities allocated to the participant on vesting of the Performance Rights, will be adjusted, as set out in the LTIP rules. In general, it is intended that the participant will not receive any advantage or disadvantage from such an adjustment not received by holders of Securities and any adjustment must be consistent with the Listing Rules and Corporations Act.

Performance Rights will not attract dividends or distributions and voting rights in respect of Securities until the Performance Rights vest and Securities are allocated, whether or not the Securities are subject to disposal restrictions. Income tax will be the responsibility of the participants.

A participant may not sell, assign, transfer or otherwise deal with, or grant a security interest over Performance Rights without the prior written approval of the Board.

Performance Rights may lapse immediately on any purported sale, assignment, transfer, dealing or grant of security interest. In addition, it is contrary to the Group's securities trading policy and the law for participants to seek or enter into derivative contracts that hedge their exposure to movements in the price of Goodman Related Securities that have not vested.

Following vesting, disposal of Securities allocated under the LTIP will be subject to Goodman's security trading policy.

Termination benefits

If approval is given, any benefits received by the Executive Directors under the LTIP upon cessation of employment will not be prohibited under the retirement benefit provisions of section 200B of the Corporations Act. Benefits may include the Board using its discretion to determine that a relevant Executive Director's Performance Rights:

- (a) will not lapse on cessation of their employment but will be retained and vest as if they remained an employee; or
- (b) will vest on their cessation of employment (which will usually only occur in limited circumstances as set out in the LTIP rules and as described above).

The value of the benefit the Executive Director may receive as a result of the early vesting for the purposes of the retirement benefit provisions of the Corporations Act cannot be ascertained at the date of this Notice as it will be necessarily determined by the number of Performance Rights vesting and the market value of the Securities at the date of vesting. However, the key matters, events or circumstances which will, or are likely to affect the number of Performance Rights that the Board determines should vest or not lapse on a participant's cessation of employment and the calculation of the value of those Performance Rights under the LTIP include:

- (a) the number of Performance Rights held by the executive under the LTIP at the time of their cessation of employment;
- (b) the market price of Securities at the time of their cessation of employment; and
- (c) the number or proportion of Performance Rights held by the executive which the Board determines should vest or not lapse, which will in turn will depend upon factors which may include the:
 - participant's performance since the Performance Rights were granted;
 - length of time that has elapsed since the Performance Rights were granted;
 - extent to which the performance conditions have been satisfied at the time the participant ceases employment;
 - financial performance of Goodman and the business or support area in which the participant works;
 - seniority level of the participant; and
 - circumstances in which the participant leaves Goodman.

Other prescribed information

Of the Directors, only the Executive Directors (Mr Greg Goodman, Mr Danny Peeters, and Mr Anthony Rozic) are eligible to participate in the issue of performance rights under the LTIP. The non-executive Directors (Mr Ian Ferrier, AM, Ms Anne Keating, Mr Jim Sloman, OAM, Mr John Harkness, Mr Philip Fan, Mr Philip Pryke, Mr Stephen Johns and Ms Rebecca McGrath) are not eligible to participate and no other Performance Rights have been issued to any other Director.

In 2015, following the approval of the grant of Performance Rights to the Executive Directors under the LTIP at the 2015 AGM, Mr Goodman was granted 2,000,000 Performance Rights, Mr Pearce (former Director) was granted 450,000 Performance Rights, Mr Peeters was granted 450,000 Performance Rights and Mr Rozic was granted 600,000 Performance Rights for nil consideration. In 2016, Mr Goodman was granted 2,400,000 Performance Rights, Mr Peeters was granted 600,000 Performance Rights and Mr Rozic was granted 700,000 Performance Rights for nil consideration.

Performance Rights are used by Goodman for employee remuneration and incentive and do not raise any issue proceeds. The Performance Rights will be granted, and if vested, Securities will be issued or delivered, at no cost to Mr Goodman, Mr Peeters or Mr Rozic.

If Securityholders approve Resolutions 5, 6 and 7 the Performance Rights will be issued to Mr Goodman, Mr Peeters and Mr Rozic shortly after the passing of each of these Resolutions (and in any event within 12 months).

The Directors other than Mr Gregory Goodman, Mr Danny Peeters and Mr Anthony Rozic:

- (a) do not believe that Goodman will incur any material opportunity cost or forego any material benefit by issuing Performance Rights under the LTIP to Mr Gregory Goodman, Mr Danny Peeters and Mr Anthony Rozic for which it will not be adequately compensated if the performance hurdles described above are met;
- (b) believe that the issue of the Performance Rights under the LTIP to Mr Gregory Goodman, Mr Danny Peeters and Mr Anthony Rozic as part of their remuneration is reasonable in the circumstances of the Goodman Group; and
- (c) believe that the dilutionary effect of the issue of 2,750,000 Performance Rights to the Executive Directors will be immaterial as they represent less than 0.15% of the 1,800,763,877 Securities currently on issue.

Reasons for seeking approval

Securityholder approval of the offer to each of Mr Gregory Goodman, Mr Danny Peeters and Mr Anthony Rozic as Directors of Goodman to participate in the LTIP is sought for all purposes under the Corporations Act and the Listing Rules. If approval is given, the following consequences will ensue:

- (a) any benefits received by Mr Gregory Goodman, Mr Danny Peeters and Mr Anthony Rozic under the LTIP upon cessation of employment will not be prohibited under the retirement benefit provisions of section 200B of the Corporations Act; and
- (b) under Listing Rule 10.14, an entity must not issue securities to Directors under an employee incentive scheme without the approval of its members. Accordingly, approval of Securityholders is sought for the purposes of Listing Rule 10.14 to enable Goodman to make grants of Performance Rights, and subsequently issue or transfer Securities to Mr Goodman, Mr Peeters and Mr Rozic.

Recommendation in respect of Resolutions 5, 6 and 7

The Directors (other than the Executive Directors who have a direct interest and abstained from consideration of the matter) believe that the issue of Performance Rights under the LTIP on the terms above is an appropriate equity-based incentive for each Executive Director, having regard to their performance, responsibilities and commitment.

Accordingly, the Directors (other than the Executive Directors who have a direct interest in the outcome of the resolution as outlined) unanimously recommend that Securityholders vote in favour of Resolutions 5, 6 and 7.

Resolution 8: Amendment of the GLHK Articles of Association

The Board of GLHK proposes to adopt the New GLHK Articles of Association, which amend certain provisions in the existing articles of association of GLHK. The key amendments to the existing articles of association of GLHK include:

- + removing one of the eligibility requirements for a person to be appointed as a GLHK director or nominated for appointment as a GLHK director. Under article 13.7 of the New GLHK Articles of Association, a person appointed to be a GLHK director, or nominated for appointment as a GLHK director, will no longer be required to be a director, officer or employee of Goodman Limited, or be nominated for appointment to the board of Goodman Limited;
- + making minor amendments to fix the cross-references issue and formatting issue under article 10.1(b) and article 12.7(b); and
- + clarifying that the Managing Director of GLHK is not subject to the requirement to cease to hold office at the conclusion of the next Annual General Meeting of GLHK, following appointment to the GLHK Board by directors.

As a result of the proposed amendments, there will be greater flexibility on persons eligible to be nominated as a Director and they will not necessarily be also a Director of Goodman Limited.

The existing articles of association of GLHK currently provide that the Managing Director of GLHK is not subject to retirement by rotation. The proposed amendments will clarify that the Managing Director is not subject to retirement at the conclusion of the next Annual General Meeting of GLHK, following appointment to the GLHK Board by directors.

All references to the articles in the bullet points above are in relation to the New GLHK Articles of Association.

The full text of the New GLHK Articles of Association, showing the proposed amendments to the existing articles of association of GLHK in mark-up, are available prior to the meetings on Goodman Group's website: www.goodman.com.

Recommendation in respect of Resolution 8

The Directors unanimously recommend that Securityholders vote in favour of Resolution 8.

EXPLANATORY MEMORANDUM

CONTINUED

Resolution 9: Spill Resolution

This resolution is a 'conditional' resolution. It will only be put to the AGM if at least 25% of the votes validly cast on the resolution in Resolution 4 to adopt the 2017 Remuneration Report are cast against that resolution.

The Corporations Act provides that, if at least 25% of the votes validly cast on the resolution to adopt the Remuneration Report at two consecutive annual general meetings are against adoption, members be given the opportunity to vote on a resolution in the form of Resolution 9 at the second meeting (the "two strikes" rule). As mentioned above, more than 25% of votes were cast against adoption of the Remuneration Report at the Company's last AGM. This constitutes a "first strike". Accordingly, the resolution in Item 9 will only need to be put to the AGM if there is a "second strike" because at least 25% of the votes validly cast are against adopting the 2017 Remuneration Report. If less than 25% of the votes validly cast at the Annual General Meeting are against Resolution 4, then the "spill resolution" in Resolution 9 will not be put to the AGM.

If put, this resolution will be considered as an ordinary resolution of Goodman Limited, which means that, to be passed, the resolution requires the approval of a simple majority of the votes validly cast by or on behalf of Securityholders entitled to vote on the matter.

If the Spill resolution is not passed, then the Board as at the conclusion of this Annual General Meeting will remain in place.

If this resolution is passed, then the Company must hold a Spill Meeting within 90 days after the AGM to consider the composition of the Board. If a Spill Meeting is required, the date of the meeting will be notified to Securityholders in due course.

If a Spill Meeting is held, the following Directors, (the "Relevant Directors") will automatically cease to hold office as Directors of Goodman Limited at the conclusion of the Spill Meeting, unless they are willing to stand for re-election and are re-elected at that meeting:

- + Mr Ian Ferrier, AM (Independent Chairman);*
- + Mr Stephen Johns (Non-Executive Director);*
- + Ms Rebecca McGrath (Independent Director);
- + Mr Danny Peeters (Executive Director);
- + Mr Philip Pryke (Independent Director);
- + Mr Anthony Rozic (Executive Director); and
- + Mr Jim Sloman, OAM (Independent Director)

* This assumes that the Directors are re-elected or elected at this AGM under Resolutions 2 and 3.

Even if Mr Ian Ferrier, AM and Mr Stephen Johns, who are seeking re-election and election at this year's AGM are re-elected at the AGM, they will still need to be re-elected at the Spill Meeting to remain in office after the Spill Meeting.

Goodman Limited is part of a stapled group of entities. If at a Spill Meeting Relevant Directors were not re-elected then it is expected that they would resign as Directors of Goodman Funds Management Limited, the Responsible Entity of Goodman Industrial Trust, and, if applicable, Goodman Logistics (HK) Limited, subject to an orderly transition.

Recommendation in respect of Resolution 9

The Directors recommend that Securityholders vote AGAINST Resolution 9.

Goodman Group has successfully executed a strategy that has helped to deliver Securityholders a Total Securityholder Return over the last 5 years of 159%. It has also done this while de-leveraging so that its gearing at 30 June 2017 fell to 5.9%. The strategy as developed and overseen by the Board has been an integral component of this success. Goodman Group has benefited from the clear focus and the leadership that the Board has been able to provide to the business. Conversely, if the Spill Resolution is passed it can be expected that the leadership of the Board in the execution of the Group's strategy will be affected and potentially cast in doubt.

If the Spill Resolution is passed, each of the Relevant Directors would be eligible to seek re-election of the Spill Meeting. However, there is no assurance that any of them would do so. There would be a significant risk that the governance and strategy of Goodman Group would be impacted and that this would likely be reflected in the Goodman Group Security price and Securityholder returns.

Voting Instructions for CDIs representing shares in Goodman Logistics (HK) Limited

Important Notice: To vote in respect of Goodman Logistics (HK) Limited resolutions you must complete and lodge this Voting and Proxy Form prior to the AGM. You cannot vote on the Goodman Logistics (HK) Limited resolutions in person at the meeting. This is because, the underlying ordinary shares in Goodman Logistics (HK) Limited are registered in the name of CHES Depository Nominees Pty Ltd (CDN). As holders of CHES Depository Interests (CDIs) are not the legal owners of the ordinary shares in Goodman Logistics (HK) Limited, CDN is entitled to vote at meetings of shareholders on the instruction of the registered holder of the CDIs. For voting purposes each CDI is equivalent to one ordinary share in Goodman Logistics (HK) Limited.

This Voting and Proxy Form gives your voting instructions to CDN, which will vote the underlying shares in Goodman Logistics (HK) Limited on your behalf. You need to return this Voting and Proxy Form no later than the time and date shown above to give CDN enough time to tabulate all CDI votes and to vote on the underlying shares.

Giving Multiple Voting and Proxy Forms

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Giving a Second Voting and Proxy Form: You are entitled to give up to two Voting and Proxy Forms. If you wish to give a second Voting and Proxy Form, an additional Voting and Proxy Form may be obtained by telephoning the Security Registrar or you may copy this form. To give a second Voting and Proxy Form you must indicate that you wish to give a second proxy and voting instruction by marking the box. If you give two Voting and Proxy Forms you must specify the percentage of votes or number of securities for each proxy and voting instruction, otherwise each Voting and Proxy Form relates to half the votes.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.

Attending the Meetings

Bring this form to assist registration. If a representative of a corporate Securityholder is to attend the meetings of Goodman Limited and Goodman Industrial Trust you will need to provide the appropriate "Certificate of Appointment of Corporate Representative" prior to admission. A form of the certificate may be obtained from Computershare or online at www.investorcentre.com under the information tab, "Downloadable Forms". It will not be possible to appoint a corporate representative for the meeting of Goodman Logistics (HK) Limited.

Attending the meetings of Goodman Limited and Goodman Industrial Trust, whether in person or by corporate representative, will revoke your appointment of proxy for those meetings given in any Voting and Proxy Form but importantly it will not override or revoke your voting instructions to CDN in relation to the meeting of Goodman Logistics (HK) Limited. As you are not a registered holder of Goodman Logistics (HK) Limited shares, you will need to lodge a Voting and Proxy Form if you want the shares underlying your CDIs to be voted at the general meeting of Goodman Logistics (HK) Limited.

Accordingly you are encouraged to lodge and submit a Voting and Proxy Form (whether or not you intend to attend the meetings of Goodman Limited and Goodman Industrial Trust in person or by corporate representative) in order to give effect to your voting instructions in relation to Goodman Logistics (HK) Limited.
